Alpine KS General Export Carton

This will confirm our telephone conversation of today. Notwithstanding that a new Alpine KS carton for Singapore is being developed, the current carton (product code R02700-0025) should not be obsolete. Based on information from International, this item is still utilized for small orders. Therefore, all cylinders and all printing plates are to be kept available.

Thank you for your cooperation.

P.S. I am returning the Alpine carton which you forwarded to our office for evaluation.
